Pulborough Village Hall, 7:30pm

Rother Hall

Tuesday 6th April 2010

SAFE SURFING – looking at password security, phishing and maintaining privacy. Jim Noble

Tuesday 20th April 2010

MUSIC - acquisition, playback, management and storage. Dean Smith

Each meeting consists of a tutorial, a refreshment break included in meeting fee) and a question and answer session when we advise on problems.

New Members welcome ranging from the terrified newcomer to the experienced user. Come along to one session see what it is all about, before deciding if you would like to join.

There is a meeting fee of £1. If you attend again, we'll also expect you to pay the annual £5 membership fee.
