**ANNUAL REPORT
January to December 2012**

Chairman's Annual Report for 2012

I am happy to be able to report on another year of our activities in Pulborough. We had a very busy and fulfilling time in 2012. Initially we were rather nervous about the future, for almost every week we heard about cuts in public funding. This was of concern to us all and it came at a time when we also heard that more and more of us are living longer and increasing the demand for services of every kind. These two developments make a circle that is hard to square. We believe that P&DCCA is living proof that older people make a useful contribution to society and not just in taking care of grandchildren, important and essential as that is. The average age of our 100 or so volunteers is 65 and our committee has an average age of 75. Here is a shining and practical example of self help which we hope change minds and hopefully messages from those responsible for all that publicity about the burden of an ageing population.

What about funding? At Community Care we have made some increases in charges for our activities, we have received support from our local councils, and our fund-raising efforts have been well supported by the local community as you will see below. This is so important for a grass roots organisation such as ours, and we greatly appreciate it, for it is surely a vote of confidence in what we do.

Our splendid and hard working team of volunteers has undertaken more than ever. Some people contribute a few, but essential hours each year and others contribute many hours every week. We hope that by offering a wide range of opportunities and a flexible schedule to potential volunteers we shall continue to be able to recruit enough dedicated people to be able to continue as a lively and useful part of Pulborough life. It is the exemplary efforts of all these volunteers which results in a highly effective team which is the powerhouse of our association, freely providing hundreds of hours each year to the community in which we live. Our members also contribute in many ways. For instance at the Wednesday Afternoon Club, which has

increased its membership to around 40 people, members help in setting up tables and chairs for board games, preparing for indoor bowls and they complete questionnaires designed to find out how to improve the afternoon's activities. Changes are then made wherever possible, in the light of members' suggestions. Whilst members did not actually take part in the Olympic Games, they did have a coach tour in March to all the venues in the course of construction and beautiful weather made the day a memorable one. As usual, the annual summer holiday attracted many members, with people helping out when necessary. Our weekly Lunch Club is open to older people who live in West Chilton or Pulborough and it has proved so popular that it was decided to increase the number of people being catered for, bringing the numbers to 56. The volunteers concerned took the extra work in their stride and are glad that more people than ever can enjoy a lunch which is not only varied and tasty but is also nutritionally balanced, owing to the careful and unstinting efforts of our chef. During lunch the way members look out for each other is really heart warming. Together with the personal interest from the organiser and the helpfulness of all the volunteers; it is this concern for each other that is part of what makes for such a friendly and caring atmosphere. The puddings at lunch club are home made by volunteers who also donate the ingredients as well as the time and skill needed to make puddings for 56 people. Three people provide puddings each week and each pudding maker does puddings about 3 times a year. By being able to find enough volunteers to help us we are usually able to spread the work in such a way that no one is overloaded. The Community Car Service, however is sometimes an exception to this generalisation. In 2012 our organiser was often short of drivers for the wheelchair accessible vehicle and so valiantly took on many journeys himself, rather than turn people away. I am happy to say that we have recently been able to recruit more drivers and consequently we hope there will be less pressure in future.

It is now 47 years since we were formally established and our joint founder continues to work for Community Care. To her we owe the setting up of the group for those with sight problems, the knitting

group, the falls prevention class and Tai Chi sessions. Falls prevention and Tai Chi, together with our dancing classes help to improve people's health and fitness. The humble toenail cutting service must not be overlooked for this is essential for 50 people in the village who can no longer bend far enough to reach their own feet, or do not have the hand strength needed to do the job themselves. Painful feet due to inaccessible and long toenails can mean that people find themselves unable to get about, and they often become isolated. This is a problem that caring communities like ours can solve, by understanding other people's needs and finding ways to help.

Loneliness and the sadness it brings is something we hear much about from the press and television. Imaginative and caring action by three of our committee members 14 years ago resulted in the setting up of a confidential visiting service for Pulborough people who are housebound. Those who would like a trained volunteer to visit once a week can apply to us and we shall usually be able to find a volunteer to visit for a friendly chat, or simply sharing a cup of tea and a listening ear, especially important when one lives alone. Some carers also find this visiting service a boon as they can be sure their relative or friend is in good hands when one of our volunteers is around.

General Community Involvement

Our general activities have been varied this past year. The *Alzheimer's Society* sent out a detailed questionnaire asking for help in establishing dementia friendly communities. We responded in some detail but at present are not in a position to offer the extensive resources such a project will need. We are very aware of our responsibilities to those suffering with dementia and we have spent time considering how best we can help carers and those in the early stages of the condition. Carer respite is a vital part of care for people with any disabling condition and while we can accommodate many kinds of disability at our Wednesday activities for instance, we have to be aware above all of the safety of those concerned. The organisers of each activity are responsible for decisions

about what we can do to help carers and each decision is taken on the basis of each individual's needs and our available resources.

The Anchorage contacted us with a generous offer to provide weekly lunches over a 12 week period, for us older people. A splendid quiz started off each session and everyone was happy and smiling while the chef prepared a cost free meal. Thank you to all concerned with giving this most enjoyable present to us oldies.

Public Awareness of Pulborough Community Care is essential if we are to survive in this day and age. When we hold our flag days we hear from people have no idea that we even exist, much less do they know anything about what we offer. In the autumn we were approached by Andrew Frost of Seascope Public Relations in Worthing (www.seascopepublicrelations.com) who very kindly offered to provide us with free help to remedy this situation. Our Transport Organiser helped prepare a professional press release timed to go out in early 2013 to help in the search for more volunteer drivers. By the time you read this you may have seen the helpful press report which resulted. Dave Boys' professional photographs, which he contributed freely, gave an up-to-date record of our activities (www.whywhatwhere.com). This effort was all greatly appreciated. We used some of the photographs to make calendars showing our activities and contact numbers, for all the doctors at Pulborough Medical Group in the hope that they would let people know about us when appropriate. Our web site is regularly updated on a voluntary basis by Jim Noble; the best possible web master. Our leaflets are always available in the village hall and the library.

Changes Ahead. Gill Boys who has worked for Community Care for the past 7 years, has stepped down as a Trustee in order to give more time to her family (not to mention her numerous animals). Gill began as a most efficient Community Car Transport organiser in 2001 and soon was asked to take over the running of the Wheelchair Accessible Vehicle service, which she did most effectively until 2007. Gill's friendly and caring way with everyone

who contacted her made her truly loved by all our passengers. For 5 years Gill has organised our Dancing Classes which are not only good exercise and great fun but also have brought in very useful contributions to our funds and also donations from the teachers for which we are most grateful. Gill began a helpful volunteer recruitment scheme for us 4 years ago and we are very pleased that she will be able to continue to run this. She is now an Associate Member of P&DCCA so will keep in touch. We have greatly valued all the various jobs she has done for our community. She will be much missed and we wish her every happiness in what we hope will be a more relaxed time ahead.

Funding is an important matter which I mentioned at the start of this report. You will find information about our income and expenditure in the accounts prepared as usual by our highly esteemed Treasurer. Some sources of our income, however, I should like to highlight. Our largest donor is West Sussex County Council and most of this money is spent in providing our Wheelchair Accessible Vehicle service. Pulborough Parish Council gave generously in 2012 and we received another grant from Horsham District Council. We know that all these public bodies are under great financial pressure. Their help is simply vital and we thank them for it. Tesco gave us a generous cheque for £2,000 and Waitrose in Storrington collected £320 for us from their green token box and then gave us a much appreciated £625 for Lunch Club to provide Christmas lunch (it will go further than that, of course). In August, Sainsburys made us their Charity of the Year. This means that they will organise events such as cake sales (staff contributing home made cakes) and book sales and they have our collecting boxes at their tills. This raised £878 in 2012 and we have time until August 2013 for more fund raising. The publicity they afford is also useful with photos and information on the board at the checkout end of the store. Individuals make wonderful donations to us which help in many ways. We have ourselves raised £800 from our flag day and raffles. Thank you to everyone who helps us to provide affordable services in our beloved village.

This service continues to meet the needs of Pulborough and district residents, mainly due to the wonderful band of volunteers, ladies and gentlemen who give their time regularly to help others in need of their services. Frail or elderly residents who no longer are able to travel by normal transport are able to use the services of sympathetic volunteer drivers to get to their destinations, medical or otherwise. We also provide a useful wheelchair accessible service enabling wheelchair-bound persons to travel to their appointments without having to transfer into another seat. Last year we successfully provided drivers for 1800 journeys. This service is provided by our charity and relies solely on county funding being available.

Toe Nail Cutting Service

Venue: Pulborough Village Hall

**Contacts: Jean Seagrim 01798 872540
Christine Wells 01798 875291**

This service continues to be appreciated by over 50 clients who find it difficult to cut their own toenails. Mr. Foulkes comes every six weeks from 1.30-4.45pm and the clients come on a rota of every 12 weeks.

T'ai Chi

Venue: Meadows Room – Pulborough Village Hall

Contact: Jean Seagrim 01798 872540

This year has seen 3 successful terms of T'ai-Chi. We meet on Mondays 9-10am under our instructor Matt Ward of the Inner Harmony School. All who attend say they really benefit from the excellence of the teaching and the feeling of calm at the end of the lessons.

Sight Problems Group

Venue: Green Meadows (with thanks to Saxon Weald)

**Contacts: Jean Seagrim 01798 872540
Mary Fletcher 01798 873598**

This group meets on the 3rd Tuesday of the month and most have Macular Degeneration. We exchange information and all seem to benefit from talking of their own problems and treatments etc. The Macular Society is extremely helpful. Also our visits to 4Sight (West Sussex Association for the Blind) in Bognor Regis in the minibus to purchase equipment etc. is much appreciated. We also arrange other outings and have a Christmas lunch at the Tea Rooms.

First Tuesday Groups

Venue: Meadows Room, Pulborough Village Hall

Contact: Jean Seagrim 01798 872540

Janice Ansty 01798 874523 (Fall Prevention)

Gina Spain 01798 872497 (Knitting Group)

These groups meet at 11am to 12.45pm. We sell home-made cakes, tea and coffee as well as recycled cards, and bric-a-brac and we also have a tombola.

In the south end of the Hall the NHS has a Falls Prevention Group. Due to funding cuts their much appreciated sessions are to cease. However, we hope to get someone else to keep things going.

In the north east end of the Hall Gina Spain has run a most successful Knitting Group. The knitting is of a very high standard and this year little premature baby outfits have been sent to an Ethiopian hospital as well as UK hospitals.

In December 80 jerseys were sent to the Masai in Kenya and blankets were taken to the Salvation Army.

Many appreciative letters and photographs have been received over the year. Most garments now go with kind persons willing to use some of their baggage allowance for Africa.

The First Tuesday Group also provides a coffee morning, thanks to our very small band of volunteers.

Volunteer Visiting Scheme

Contact: Jill Westlake 01798 873598

The Volunteer Visiting Scheme (VVS) has been well established in the Pulborough area for the past 14 years and is a much valued service offered by our 18 volunteers. We visit people in their own homes or in a Care home and spend an hour or so with them, giving them the opportunity to share in complete confidence their experiences, to talk about their families, their life, to laugh, and also to discuss any worries or problems. The service offers friendship to the client, respite to carers and a sense of security to distant relatives that someone is listening to their loved ones.

We are always keen to recruit new visitors who have an hour or so to spare. New Visitors are introduced to the service through informal induction sessions which helps to prepare them for their first visits. Meeting once a month, our group of volunteers is also kept up to date and learn about common issues amongst our clients such as eyesight or hearing loss, dementia, depression etc as part of the on-going training.

Whilst we raise funds ourselves each year to support our work, we are indebted to the County and District Councils and various local charitable organisations for grants. This past year we were deeply touched to receive a significant donation from a grateful family. This enables us to continue our valuable work in the community.

We are a friendly group who take pride in the service we offer. We are always keen to recruit new visitors and clients to visit. If you would like to know more about us please contact Jill Westlake on 01798 812104 or ask your Doctor, District Nurse or Social Worker to make a referral for you.

WEDNESDAY AFTERNOON CLUB

Contacts: Rosemary Russell 01798 873174

Liz Sollom 01798 812573

Gerald Batt 01798 872388

2012 has been a very successful year for the Wednesday Club. Membership numbers have steadily grown and the finances of the club are on a sound footing. The Club is open every Wednesday afternoon from 2 till 4 p.m. except during August and there are activities to cater for all tastes, for example scrabble, cards and Rummikub for those who enjoy games whilst they are seated and short mat bowls and darts for the more energetically inclined. For others it is simply a great opportunity to sit and watch the activities and have a chat with their friends.

We have been able to hold the annual subscription at £5 for all members plus a weekly sum of £1 for those attending and this covers the rent for the hall and the cost of the refreshments that are served each week. From time to time members have enjoyed entertainment in the form of song and dance performances and other presentations of interest including one this year to celebrate the Royal Jubilee. We hold a monthly raffle and leading up to Christmas we had special festive afternoons including carol singing, quizzes and tasty treats. Also when available we have had visiting speakers on subjects such as fire prevention and safety in the home.

In the summer we arranged and accompanied some of the members on a week's holiday to a hotel in Tenby, South Wales which was very successful and much enjoyed. This year we have a holiday booked on the Isle of Wight and are hoping for some sunny weather. In addition we arranged outings by coach to the seaside and minibus to a pantomime

We are very grateful to our loyal band of volunteer helpers who assist with the games and refreshments, chat with the members and generally look after members' safety and well-being. Thanks also to the members who make up our committee and those who prepare our refreshments each week. We also thank the drivers and escorts from the Minibus Association who ensure that members who need transport can get to and from the club each week.

We now look forward to the year to come and will do all we can to ensure the members continue to enjoy their weekly get together. Come join us and meet new friends!

PULBOROUGH LUNCH CLUB

Betty Evans: 01798 874254

Jill Jones: 01798 874249 for offers of puddings

2012 saw a very successful Wednesday Lunch Club with just a two week break for Christmas and a week's break for Easter, otherwise it was business as usual through the year.

This year we have extended the number of people who come to 56 people so we are pleased there is no longer a waiting list. We are

also grateful that an extra minibus has been arranged so people all arrive well in time for Lunch at 1pm.

During the year we served Scotch Broth to celebrate Burn's Night and Pumpkin Soup to celebrate Halloween. Every six weeks we served a Shepherds Pie. For Valentine's Lunch it was poached salmon and for Easter, a chicken casserole. At our Christmas Lunch we were joined by members of the Wednesday Club so 70+ people enjoyed Roast Turkey and all the trimmings. We were very grateful to Waitrose who had chosen us as one of their Christmas Lunch charities which helped us offset much of the cost of the event.

Earlier in the year 13 year old Tom Streeter, as part of his Voluntary Work for the Duke of Edinburgh Scheme made puddings for 10 people for 12 consecutive weeks. As part of the scheme he had to shop and pay for the ingredients and make the puddings. He also helped our chef serve the Valentine's Lunch.

We are very grateful to our chef, René Kaiser who makes such a variety of soups and our special meals. Also a huge thanks to all our many pudding ladies and gentleman who give such a wide range of delicious home-made desserts

The tables always look attractive thanks to Betty who takes great care in the choice of napkins, flowers and all the extra touches.

We have such a wonderful band of helpers who not only lay the tables, clear away but also find time to talk to members on arrival and during the lunch time, which is so important. And finally a special 'thank you' must go to Jill Jones who week by week takes on the washing up, no easy task!

In 2012 Barry and Sue Bird, continued to generously support P&DCCA and ran three classes per week. (Improvers, Advanced and Sequence.)

Extra social and practice evenings, led by Jim and Janet Miles were held most months. The profits from all these events have been donated to P&DCCA.

Great appreciation is due to both Barry and Sue Bird and Janet and Jim Miles for their hard work and enthusiasm.

Treasurer's report

During the year, we had generous donations from Tesco, Waitrose and Hall and Woodhouse.

We have also received grants from West Sussex CC, Horsham DC and Pulborough PC. Unsurprisingly in the current economic climate, the amount of the grant from West Sussex was considerably less than in previous years and is likely to be reduced again for the current year. Happily our reserves give us breathing space, so there is no immediate cause for concern even though we anticipate a significant deficit for 2013.

Once again I have to thank our volunteers for the money and time they have contributed.

For many years charities of our size have not been required to have their accounts audited but rather have them subjected to an independent examination. Our constitution, written 47 years ago, however, still states that our accounts should be audited. Mr H D Anthony has kindly done this for us for the past 8 years on an honorary basis but has now retired. It thus seems appropriate to update our constitution at this AGM and to begin independent examination of the accounts. This means that each year we shall print out the duties of Trustees and Examiners, according to the current Charity Commissioners requirements.

Accordingly Mr. D Boys, who has kindly agreed to examine our accounts for this year in an honorary capacity, has prefaced his statement with 2 paragraphs quoting from the guidance provided by the Charity Commissioners. We shall provide this information each year in the future.

Independent Examiner's Report to the Trustees of Pulborough & District Community Care Association on the accounts for the year ended 31 December 2012 set out on pages 16 to 18

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. They consider that an audit is not required for the year and that an independent examination is needed.

It is my responsibility to examine the accounts under S145 of the Charities Act 2011, to follow the procedures laid down in the general directions given by the Charity Commission and to state whether particular matters have come to my attention.

Basis of my statement.

My examination was carried out in accordance with general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from the trustees about such matters. The procedures do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a true and fair view and the report is limited to those matters set out in the statement below.

My statement.

In connection with my examination, no matter has come to my attention;

- i) which gives me reasonable cause to believe that, in any material respect, the requirements to keep accounting records in accordance with S130 of the Charities Act and to prepare accounts which accord with those records and comply with the accounting requirements of the Charities Act have not been met; or
- ii) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

at 2.30 pm in The Arun Hall, Pulborough Village Hall**

AGENDA

1. Apologies for absence
2. To approve the Minutes of the AGM of 2012
3. To alter the Constitution of the Association by changing paragraph 7 (v) to read "At the end of each financial year the accounts shall be subject to an independent review"
4. To adopt the Annual Reports and Accounts
5. To elect Officers and Committee
6. Any Other Business

Guest Speaker:

Cathy Cobbold from Action for Deafness

Please join us for refreshments afterwards

**MINUTES OF THE ANNUAL GENERAL MEETING held on
WEDNESDAY 14th MARCH, 2012 at 2.15pm in
The Arun Hall, Pulborough Village Hall**

The Chairman extended a very welcome to those present and felt very heartened to see such a good attendance.

1. Apologies for absence.

Apologies had been received from Betty Evans, Stuart Henderson, David Joliffe (Pulborough Parish Council), Fr. Paul Welch (St. Mary's Church) and Gill Boys

2. To approve the Minutes of the Annual General Meeting of 2011

Approval of the minutes, which were printed in the Annual Report, was proposed by Liz Sollom and seconded by Joyce Cottle and duly signed by the Chairman.

3. To adopt the Annual Report and Accounts

With people living longer the Chairman felt Community Care would be even more vital in the months and years to come. This year had seen the 'closure of PIP' after 30 years. Starting life in the Old Village Hall where people could pop-in from the pavement, to a new life in the New Village Hall. The group has now enlarged into the Tuesday Clubs and the Sight Problems Group on a Thursday. With rising costs some of our activities have seen modest increases in charges. Grateful thanks go to the Pulborough Parish Council, Horsham District Council and West Sussex County Council for their grants.

The T'ai Chi and Dancing Classes have produced useful funds for PDCCA. The Wheelchair accessible vehicle will need replacing in the foreseeable future which will be a major financial outlay. The Reverend Kenneth Lynch proposed adoption of the Annual Report and Accounts, this was seconded by Michael Clenshaw and passed unanimously.

4. To elect Officers and Committee

The Acting Chairman asked for a proposal that the following people stand as officers and committee members for the coming year

Mrs. Gwen Parr	Chairman and Trustee
Mr. Philip Migdale	Treasurer and Trustee
Mrs. Elaine Crossley	Trustee (Volunteer Visiting Scheme)
Mrs. Betty Evans	Trustee (Pulborough Lunch Club)
Mrs. Monica Mason	Trustee (Community Minibus Association)

Mrs. Gill Boys	Trustee (Volunteer Recruitment)
Mrs. Jean Seagrim	Committee (Co-ordinator, T'ai Chi, Fall Prevention, Knitting Group, Sight Problems and Toenail Cutting)
Mr. Mike Clenshaw	Committee (Community Transport Scheme)
Mr. Stuart Henderson	Committee (Pulborough Patient LInK)
Rosemary Russell	Committee (Wednesday Afternoon Club)
Liz Sollom	Committee (Wednesday Afternoon Club)
Ann Kaiser	Honorary Secretary

Joyce Cottle proposed the election of Officers and Committee, this was seconded by Jean Seagrim and passed unanimously.

5. **Any Other Business**

The Chairman extended an enormous 'Thank you' to all our volunteers who give so generously of their time. Volunteering hours given vary hugely but she felt that the saying 'Every little helps' is so true. Grateful thanks went to Ann Kaiser, our Secretary, who keeps things running smoothly.

We are very pleased to say that Waitrose in Storrington will be having PDCCA as one of their beneficiaries for the month of April. Jean Seagrim concluded with grateful thanks to Gwen Parr for her commitment and support of all the branches of Community Care.

The meeting continued with a question and answer session:
