WHAT WE DO

We try to encourage, inform and entertain home computer users of all abilities through tutorials, question & answer sessions and social chit chat on the subject. A typical meeting consists of:

- A Presentation – the range of subjects is wide as can be seen from the calendar on the web site. As we are a self-help club, the talks are often provided by the members themselves, although we do have guest speakers.
- Refreshment Break – a time to chat and socialise with other members.
- A Q & A Session for members to ask questions about any problems with their laptops, pcs, tablets, and mobiles as other members may be able to help find solutions.

WHERE AND WHEN WE MEET

We meet at the Pulborough Village Hall on the first Tuesday of every month for a prompt 7:30 pm start. We finish about 9:30 pm. The meeting fee is £2 for members and £3 for visitors.
